The First Lady of Canadian Professional Rodeo

Official Statement - Spur Recognition

"Each year, the Cloverdale Rodeo & Exhibition Association honors and recognizes the reigning Miss Rodeo Canada with a beautiful pair of custom trophy spurs. These spurs are formally presented to Miss Rodeo Canada during the annual rodeo in May. I'm so sorry I was unable to attend this year's 59th Annual Cloverdale Rodeo, but wanted to ensure my gratitude of these beautiful spurs is sincerely and publicly recognized."

"I, and all Miss Rodeo Canada's before me, appreciate the hours of workmanship and tremendous skill that goes into each set of spurs. I have already received many compliments on my spurs and am always thrilled to praise Cloverdale Rodeo & Exhibition on their beautiful gift. Accompanied by my spur straps from Cavalier Equestrian, they truly make me feel like a champion and the First Lady of Canadian Professional Rodeo."

"On behalf of the Miss Rodeo Canada Committee, I wish to thank Penny Smythe and Cloverdale Rodeo & Exhibition Association for their support and generosity to the Miss Rodeo Canada Program. Congratulations on another successful Cloverdale Rodeo!

I look forward to my return and seeing you all along the trail, sharing and cowboy spirit and representing this magnificent sport that we love so much.

God bless & happy trails!
